

Lessons

1. **From what age can you start?**

From 4 years old.

2. **Are the lessons group or individual?**

Individuals. Fine motor skills and posture correction require personalized attention.

3. **Where are the lessons held?**

In Pantzergasse 8, district 19 of Vienna. Public transport nearby: Metro U6 (Nussdorferstraße), Metro U4 (Spittelau), trams 37 and 38 (Glatzgasse stop), bus 35A (Lichtenwerder Platz stop).

4. **Can I attend my child's lessons?**

For concentration reasons, parents, siblings, or friends are not allowed in the trial or regular classes. There is a comfortable waiting room, and before the lesson, you can see the space and talk with me to ensure your child feels at ease.

5. **How often are the lessons?**

Once a week, 50 minutes. A fixed day is assigned according to the teacher's availability.

6. **Can I attend lessons less frequently?**

No. Continuity is essential: with fewer lessons, the student would not know how to organize their practice. The biweekly format is only recommended for professional violinists with experience in managing their own practice independently.

7. **Are lessons given on holidays or during school breaks?**

No lessons on days when children don't have school. However, if requested and the teacher is available, extra lessons can be scheduled.

8. **In which language are the lessons held?**

Mainly in German, but also available in Spanish, English, or Italian at no extra cost.

9. **Will there be homework to do at home?**

Yes. Home practice is recommended to reinforce learning. Parents are advised to help establish a routine.

10. **I am an adult, can I start learning the violin?**

Of course! Lessons are adapted to the rhythm and goals of adults. You must bring your own violin from the beginning.

Violin

11. **I don't have a violin, what should I do?**

Don't worry! 🎻 For the trial lesson, a violin is provided (for students up to 13 years old).

If you continue with regular lessons, our students can rent a violin for €30 per month, and as the child grows, the instrument will be exchanged for the correct size at no extra cost. *This service is exclusively available to enrolled students.*

12. **What violin size do I need?**

It depends on age and height. The following sizes are only a guideline; it's best to confirm with us or a luthier.

AGE	SIZE
4 - 6	1/8
6 - 7	1/4
7 - 8	1/2
8 - 11	3/4
from 12	4/4

13. What happens if a string or the rosin breaks?

Violin maintenance is the responsibility of the student. You can replace it yourself (we will advise you on which one to buy) or, if you prefer, we can replace it for a cost of €10 per item. If the Violin, bow or case breaks a fixed penalty of €200 will be applied, regardless of whether the repair costs more.

Payment

14. I cannot attend a paid lesson, what should I do?

If you inform us of your absence at least 24 hours in advance, the lesson can be rescheduled within the current or following month, depending on the teacher's availability, on a date additional to your regular weekly lesson. Cancellations made with less than 24 hours' notice cannot be refunded or rescheduled.

15. How and when are payments made?

In advance, before the start of the month, by transfer or cash. -Payment must be made before the 30th. A penalty of €1 per day of delay applies, payable with the next month.
